Expectations for positive productive participation in distance learning:

1. **BE ON TIME:** Students are expected to be in the zoom class at the beginning of class and attend the duration of class until dismissed by the teacher.
2. **LEARNING ENVIRONMENT:** Students are expected to be at a desk or quiet learning space without distractions.
3. **TURN ON CAMERA:** Students must leave their camera on at all times during zooms
4. **ZERO TOLERANCE:** Students will be removed from a zoom if they are disruptive to the learning environment and will have to make up the lesson on their own.
